

# Haverford Township Historical Society Membership Form

With sincere thanks for your support, the Haverford Township Historical Society invites you to begin or renew your Society membership. Your membership ensures that the Society's mission – to protect, preserve and promote the history of our community – will be ongoing and productive.

In addition to membership in the Society, we ask that you consider volunteering your time and talents. The Heritage Festival, Oktoberfest, Holiday House Tour, summer open houses, and work with our collections, files and properties are all volunteer-driven. Join us and share your know-how such as web design, technology, fundraising, finance, grant writing, legal knowledge, event planning, gardening, research, organizational skills, grounds maintenance, physical labor... whatever your ability, it will be put to good use keeping Haverford Township history alive!

---
