

Haverford Township Historical Society

2023 Membership Form (Valid until 1/1/2023)

The Haverford Township Historical Society invites you to begin or renew your membership. Your membership ensures that the Society’s mission – to protect, preserve and promote the history of our community – will be ongoing and productive.

In addition to membership in the Society, we ask that you consider volunteering your time and talents. Our normal Heritage Festival, Oktoberfest, Holiday House Tour events; our summer open houses; and our work with the collections, files and properties are all volunteer-driven. Join us and share your know-how, such as web design, technology, fundraising, finance, grant writing, legal knowledge, event planning, gardening, research, organizational skills, grounds maintenance, physical labor ... whatever your ability, it will be put to good use keeping Haverford Township history alive! We thank you for your support.
